NINETEEN HUNDRED AND SIXTY-NINE

LOUISVILLE, KENTUCKY

WILLIAM EDWARD HULL

The new Dean of the School of Theology is Professor of New Testament Interpretation and has been a member of the seminary faculty for the past eleven years. In addition to his teaching role, he served as Director of Graduate Studies for the School of Theology in 1968-69.

A native of Birmingham, Alabama, Dr. Hull received his college education at the University of Alabama and at Samford University, then known as Howard College, a Baptist institution in Birmingham. He entered Southern Seminary in 1951, subsequently earning the Bachelor of Divinity and Doctor of Theology degrees. He pursued post-doctoral studies in New Testament at the University of Goettingen, Germany, in 1962-63.

The new dean is widely known in Baptist circles, having addressed numerous state convention sessions, evangelistic workshops, and Bible conferences. He has appeared many times at summer assemblies and on *The Baptist Hour* on nationwide radio. He has spoken to audiences in Germany, France, Italy, Lebanon, Jordan and Turkey. In 1963 he was guest professor at the International Baptist Seminary at Ruschlikon-Zurich, Switzerland.

Dr. Hull is a contributor to the new *Broadman Bible Commentary* and has published numerous journal articles. In 1967-68 he served as President of the Association of Baptist Professors of Religion, a group which represents Bible teachers in more than thirty colleges and seminaries.

***THE SEMINARY HYMN**

Soldiers of Christ in truth arrayed,
A world in ruins needs your aid:
A world by sin destroyed and dead;
A world for which the Saviour bled.

His Gospel to the lost proclaim,
Good News for all in Jesus' name;
Let light upon the darkness break
That sinners from their death may wake.

Morning and evening sow the seed
God's grace the effort shall succeed.
Seed times of tears have oft been found
With sheaves of joy and plenty crowned.

We meet to part, but part to meet,
When earthly labors are complete,
To join in yet more blest employ,
In an eternal world of joy.

***BENEDICTION** Dr. John R. Claypool,
Pastor, Crescent Hill Baptist Church, Louisville

***RECESSIONAL AND POSTLUDE**
Carillon de Westminster *Louis Vierne*

*Congregation standing. The Congregation will please remain standing until the Academic Recessional is completed.

THE ACADEMIC COLORS

The current academic colors of Southern Seminary were introduced at the commencement convocation, May, 1964. They represent a combination of the Seminary's previous colors (scarlet and white) and the purple and gold of the Carver School of Missions and Social Work (formerly the Woman's Missionary Union Training School). Scarlet is the traditional academic symbol for divinity. Gold is for human life and service at its best. The academic hood has three reversed gold chevrons against a scarlet background, representing the Trinity. The Seminary banner repeats the scarlet background and the three reversed chevrons surmounted by the Seminary seal. The velvet facing of the academic hood is emblematic of the school in which the degree is awarded — scarlet for theology; light pink for music; light blue for religious education. The gold tassel is reserved for the doctorate in each of the schools.
