

Family Devotion Guide

2017 / 2018

*"Your Word is a lamp to my feet and a light to my path."
Psalm 119:105*

Family Devotional Guide Instructions:

1. Select a time and a place where your family can gather together for 10 to 15 minutes each day to review the elements of the devotions.
2. The **Bible Memorization** is a passage of Scripture that the family will work on each week. It is good to review the passage a couple times a day, and even to be creative in helping children memorize God's Word. It is helpful to learn a verse one phrase of a verse at a time. Children may take several days before they learn the entire verse. Be patient and encouraging. (If the children are very young, help them learn a shorter phrase rather than the whole passage.)
3. The **Bible Principles** are in a Question / Answer format. The parent asks the question, and the children give the response. This practice helps children with foundational truths in Scripture.
4. The **Bible Reading** will be different each day. You have the option to read the entire chapter, or to read the passage of focus. You can involve your children's assistance in reading as well.
5. The **Bible Discussion** element is a time of reflection. You can ask the questions before the reading to help the children to listen for the answers. This section will also allow for deeper conversations and comprehension. Encourage the children with each of their given answers, and lead them in deeper understanding of the readings.
6. The **Closing Prayer** time is a good opportunity to review different principles from the memory verse, the Bible principle, the Bible reading or discussion questions. Encourage family members to assist with this time, with children taking turns on different days. Ask for prayer requests from the family, and use the devotional guide to write down the requests each day.
7. When the devotional time has concluded, **check the box** next to the day of the week to help keep track of your devotions
8. It is helpful to review Bible verses from previous weeks to encourage faithful memorization.
9. Helpful Hint to Bible Memorization: Write out the Bible memorization verse for the children; however, leave a blank space for nouns, verbs, and adjectives. Feel free to give the first letter of those words to help children recall their memory verses. (See examples below...)
