**MONTHLY**

The field is the world.

Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost.

Teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you alway, even unto the end of the world. Amen.

And He said unto them, Go ye into all the world, and preach the gospel to every creature.

Ye shall be witnesses unto me both in Jerusalem and in all Judea, and in Samaria, and unto the uttermost part of the earth.

If ye love me, keep my commandments.

He that hath my commandments, and keepeth them, he it is that loveth me.

If a man love me he will keep my words: and my Father will love him.

And why call ye me, Lord, Lord, and do not the things which I say?

## A MONTH IN THE MOUNTAINS.

The object of my visit to Morehead, county seat of Rowan county was to strengthen the brethren, who had been without a pastor for some months and who have had some sore trials during the past year. I had a delightful time. The Lord revived them. Steps were taken to secure a pastor at once; an offering was made for missions, the Sunday school was increased, and three were baptized. I bespeak the prayers and sympathies of the brotherhood for this royal, faithful band.

It was a delight to be with the brethren at Farmer's, where good work is being done.

Deacon Moore carried me over to Slaty Point, where Bro. G. H. Alderson, a worthy minister of Jesus Christ, and a small band of Baptists had undertaken to build a Baptist church about a year ago. The frame work was put up, Bro. Alderson, the pastor, doing nearly all the work. They were unable to go further. Sanbalet and Tobiah mocked, jeered and raged at this feeble folk until they were discouraged and well-nigh in despair. I determined to try to assist the noble pastor to carry forward this worthy undertaking. Lexington Baptist Sunday school offered to give \$35, if they would complete the church. I began to solicit in the neighborhood; then I went to Salt Lick, Farmer, and Morehead. The last named place made the first response to my appeal, away from

Stony Point. The pastor marshalled his forces; we bought the siding and flooring, and though the crops needed work, all hands turned out and soon we had the roof and siding on, and the floor was half laid when I left; the windows were in place and the doors ready to be hung.

I preached at noon and at night. The women would bring great baskets of dinner.

Many who worked and gave were not Christians, but Bro. Alderson has the love and confidence of all and I pray that every one may give themselves unto the Lord. Many asked for prayer at the last service.

Many, not Baptists, helped us to get this house of worship.

W. D. POWELL.

Louisville, Ky:

Dr. Powell was talking with some of our good brethren who seem to think that the greatest need of the people is education, and who, to the almost utter neglect of preaching, are giving all their gifts to school work. He said to them, "I like to have a good, strong, fat horse, but I want him "bride-wise" and kept in hand or else he becomes very dangerous." If you educate the people and do not lead them to Christ, and develop them along Christian lines you make them a mighty factor for evil. Education is a good thing! Yes, most assuredly. Water, fire, electricity, are good things but very dangerous if not controlled and kept in proper bounds.

## ENCAMPMENT OF KENTUCKY BAPTISTS.

Allow me to say that the prospects are very bright for a large attendance at the Encampment of Kentucky Baptists, to be held in connection with Seven Hills Chautauqua, Owensboro, Ky., August 1-4, 1906. The interest is growing rapidly and it is very necessary that those who expect to go should write me about it at once, stating what kind of accommodations are wanted, so that reservations may be made in good time. Do not wait until you get to Owensboro, but write now, the very day you read this, if possible, and then you will have no difficulty. Remember it will cost just \$4.50 for each person four days, including tent, bedding and board, provided four persons occupy one tent. If two persons occupy one tent the cost for each person will be \$5.50. This also includes season ticket into the grounds for the four days. The railroad fare will be one fare, plus 25 cents, for the round trip.

JOSEPH T. WATTS, Sec.

## BARBOURVILLE.

DEAR BRO. BOW.: I am enclosing report for month of June. In addition to what it includes I want to add that we are getting our work and business organized. I found everything "at loose ends." We now have conference once a month, with reports from treasurer and all committees. Church and Sunday school attendance has been hindered by a small pox scare. Success is coming to our work at Barbourville—not in great strides, but surely coming. I am to deliver lecture tomorrow night to Bell and Knox counties united teachers institutes, on "Home Ideals," and next week will attend a minister's and deacon's meeting somewhere back in the hills. The brethren (pastors) generally have given me cordial welcome and I appreciate pleasant association with them in the work of the Lord.

Yours in His name,  
THOMAS S. HUBERT.

The associations begin July 18, and then till November there is supposed to be no rest nor loitering for the Secretary.

THE BAPTIST GENERAL  
ASSOCIATION.

The Baptist clans are gathering  
fast,

With Eaton in the chair,  
From north and south and east and  
west,  
They come from everywhere.

To Richmond all the host has come,  
To hear our faithful Bow,  
Tell of the work that we have done,  
Our mission fields to show.

Sometimes you'd think, if you were  
there,  
There's nothing half so nice,  
As school endowment talk to hear,  
And giving in a trice.

Then Willingham with soul on fire,  
To spread the gospel flame,  
Brings distant nations so much  
nigher,  
When taught in Jesus' name.

Then for the South a brighter day  
Is dawning everywhere,  
Led by the dauntless B. D. Gray,  
The gospel message share.

And one would think the world was  
lost,  
In poverty and sin,  
But for the help of J. M. Frost,  
To lead the children in.

Old preachers now laid in the  
shade,  
No more their voice is heard,  
Will get some help from preachers  
Aid,  
With some consoling word.

This great re-union once each year,  
Sooths many a troubled heart,  
Makes heaven seem to us more  
dear,  
With tears of joy we part.  
W. H. SMITH.  
Rochester, Ky.

## DAWSON SPRINGS.

Our work here, under Bro. T. M. Morton, our hustling missionary, is moving with wonderful success. He has undertaken to build a nice \$4,000 brick church, and secured enough pledges at the General Association to finish paying off the entire indebtedness on the house. The brethren who made these pledges are notified that we want to dedicate the house free of debt before the first of September. Please send the money as early as possible to J. G. Bow, Louisville, Ky., and it will be put in the hands of Bro. Morton at once.

This will not cover the \$600 debt remaining on the adjoining lot where our tabernacle stands, and where great crowds assemble every night to hear Baptist preaching. This preaching by some of our ablest men will continue nightly during the watering season. Bro. Morton has built the tabernacle at his own charges, but of course he must be reimbursed and the balance on the lot met.

"A PREACHER'S AND A BANKER'S VIEWS ON IMPORTANT SUBJECTS.

By J. M. Weaver, D.D., and Theodore Harris, Banker, Louisville, Ky., introduction by T. T. Eaton, D.D., LL.D.

Dear Friend—I propose to publish a book with the above title, about September, 1906. It will have about 250 pages and sell at one dollar a copy. Theodore Harris, a banker who has been a member of my church over 40 years, a brilliant writer, has consented to write a number of valuable articles in it, especially one on Trusts.

Will you subscribe for a copy to be paid for when delivered? I will be glad thus to get an idea of the number that will sell. It will be a book of interest to you as a thoughtful person. Please let me hear from you soon. Address Rev. J. M. Weaver, 709 West Chestnut St., Louisville, Ky.

**THE STATE BOARD OF MISSIONS**

Meets at Norton Hall,  
Monday, September, 3rd, at 2 p. m.

J. M. WEAVER,.....President  
B. A. DAWES,.....Recording Secretary  
J. G. Bow,.....Corresponding Secretary

Is the blue mark under your name on this paper? If so, it means you are in arrears. Please remit. Postage stamps will do.

Mrs. Bow is in Hallowell, Kansas, with a very sick brother. Left Louisville July 2nd for an indefinite visit.

The Corresponding Secretary hopes to be at Ohio county on the 18th, Three Forks on the 27th, Simpson on 31st, Bracken on Aug. 2, Daviess county Aug. 7th, Bethel Aug. 8th, and Liberty 9th.

Logan county 14th, Crittenden 15th and Shelby county 16th.

We gave last year to State Missions \$14,585.16, which was about two and a half times as much as we gave in 1900. This does not include the \$3,058.05 for S. S. and Colportage, nor the \$1,241.53 given through the Board to Church Building. Nor does it include money designated to schools or any miscellaneous work except the \$420 designated to the Oneida School by Broadway church. We gave \$26,620.36 to Foreign Missions besides the \$839.80 given to Foreign Missions by the Seminary and not credited to Kentucky.

We gave \$15,821.86 to Home Missions in cash besides the boxes given by the churches and the W. M. Societies.

The receipts at our office for the year was \$54,698.78, which is more than \$6,000.00 advance over last year. The receipts last year were \$5,279.93 above any previous year.

We have already appropriated to State Mission work about \$18,000.00 and the cries for help are coming from every direction. Men of Israel help. We must have \$25,000.00 this year for State Missions or we shall let the cause suffer that God has committed to Kentucky Baptists. We truly hope that we shall greatly increase our gifts to Foreign and Home Missions but we must not discriminate against the work in our State and expect the progress we ought to make on all lines.

We hope to do much more in the important work of Colportage. We earnestly plead with our brethren not to forget the essential work of aiding in church building.

**BAPTIST BUILDING BAND.**

It grows but distressingly slowly. We have now one hundred members. We hope when the associations are over we shall have five hundred.

Won't you join? Just agree as an individual, as a Sunday school, a class, a society, either a W. M. Society or a Young Peoples Society, anybody, everybody, to give one dollar per month to the Building Fund and then send your dollar to J. G. Bow once a month. We will put your money where it is needed and where it will tell for the cause of God. Let us hear from you.

The above is not a tax, is not an assessment. It is simply a request to the associations and churches to try to do something definite in the mission work. In most cases the amounts asked are for below what we ought to do, but anyhow let us try to do something.

When you start on a trip you have some point in view to which you aim to go. When you build a house you have a plan. Perhaps the reason you have done so little

in the past was because you had no definite purpose.

Will you have a committee appointed on apportionment, let them fix upon the amount suggested above, or some other amount, and then fairly divide it among the churches according to their several ability and then seek to raise at least that amount in that church.

The Second church Bowling Green asks the Board to carry them till September when they will be able to keep house without our assistance. Pastor Eben G. Vick has wrought well, with patience, perseverance and marked efficiency. It is no small thing to take a weak, undeveloped church, paying about \$150 per annum, with a debt of \$1,500 on the house, and bring them up in three years to be self sustaining and free of debt.

They are greatly indebted to the First church and her pastor, Dr. Dill, for their sympathy, co-operation and financial aid. Bro. B. F. Proctor, of the First church has done more, personally and financially, than any one else aside from the pastor, to bring about this desirable state of affairs.

Bro. A. Logan Vickers, our missionary pastor at Ludlow, has not wrought any miracles but the success of his work has been marvelous. With a small church, very weak financially, he has almost liquidated a church debt of more than \$6,000 and brought his people up to do excellent work along all lines. Aside from his preaching and other work he has put his money into the cause. He confidently expects that within six months' time the church will be out of debt and self sustaining.

## STRUNK AND PINE KNOT.

In connection with my meetings at Pine Knot and Strunk I taught the children for two hours per day. The parents greatly approved and the children were delighted. I never saw children learn faster. I enrolled over 50 at each place. A majority of those old enough to repent of their sins professed faith in Christ. O what an opportunity the pastor has. (Read *Western Recorder* of April 26th, 12th page.) We had 20 additions at Strunk and 19 at Pine Knot. These fields will, I think, soon unite in supporting a pastor. It will make a field any pastor ought to feel glad to work. So many noble spirits and bright young minds. I will never forget their kindness to your evangelist.

E. W. COAKLEY.

Now don't forget nor neglect to subscribe for the Mission Journals. So many people are writing and saying "I am on the committee to report on State Missions. Send me information." We are heartily glad of that for many reports are made without any information on the subjects upon which they report. But if you would subscribe for and read the Mission Journals you would not need to ask for the information.

We are fearful we may lose Bro. F. P. Gates from his field as a missionary. Other churches see his efficiency and covet his labors.

We beg the indulgence of the brethren and sisters respecting the present number of the Kentucky Mission Monthly. The Assistant is away and the work devolving on me is much greater than usual.

## INEZ.

DEAR BRO. BOW:

We organized a Sunday school here yesterday and I think it will do well.

Bro. Caudill will be here the first Sunday in August to hold a meeting with us. We are getting along very well. We have 22 members in our church here, and the outlook is good.

Your brother,  
M. PATRICK.

Bro. J. W. Beagle, missionary pastor at Latonia, notifies us that by action of the church they gratefully acknowledge their indebtedness to the State Board for their continued aid until now they are able to carry their own work. They release the board and pledge themselves to aid the board in their great work. Beagle is a "Master workman."

"Preach the Gospel," not another Gospel but the same old gospel that Jesus and Paul preached. "The glorious gospel of the Blessed God." For this the souls of men and women hunger. Nothing but this can reach down to the depths of man's utter need, none but this can lift up to the heights of glory belonging to the glad recipients of this gospel. Of no other gospel can it be predicated it is "the power of God unto salvation."

Get up a club in your church for the Mission Journals. We send the Foreign Mission Journal Our Home Field, and the Kentucky Mission Monthly one year for 50 cents. We will send the Kentucky Mission Monthly for 25 cents a year or for clubs of ten or more at 20 cents each.

I wish it were possible to mention by name the many missionaries of the past year who have been so faithful and efficient. Most of them have done well, and that by making many personal sacrifices. Doubtless some of them can and will do better in the future.

Bro. T. H. Johnson, of Bellevue, resigns and goes to Birmingham, Ala. Bro. W. S. Taylor, of Alexandria, goes to Bellevue. This is a very important field. We hope Evangelist E. B. Farrar will take his tent and hold a meeting there at an early day.
