ST. MATTHEW, 28.

heard that, said, This man calleth for E-I-f-as.

48 And straightway one of them ran, and took a sponge, and filled it with vinegar, and put it on a reed, and gave him to drink.

49 The rest said, Let be, let us see whether E-I-f-as will come to save him.

50 ¶ Jē'sus, when he had cried again with a loud voice, yielded up the ghost.

51 And, behold, the veil of the temple was rent in twain from the top to the bottom; and the earth did quake, and the rocks rent;

52 And the graves were opened; and many bodies of the saints which slept arose.

53 And came out of the graves after his resurrection, and went into the holy city, and appeared unto many.

54 Now when the centurion, and they that were with him, watching Jē'sus, saw the earthquake, and those things that were done, they feared greatly, saying, Truly this was the Son of God.

55 And many women were there beholding afar off, which followed Jē'sus from Gal'ilee, ministering unto him:

56 Among which was Mā'r'y Māg-da-lē'nē, and Mā'r'y the mother of James and Jō'sēs, and the mother of Zēlv'e-dee's children.

57 When the even was come, there came a rich man of Ar-i-mā-thē'a, named Jō'seph, who also himself was Jē'sus' disciple:

58 He went to Pī'late, and begged the body of Jē'sus. Then Pī'late commanded the body to be delivered.

59 And when Jō'seph had taken the body, he wrapped it in a clean linen cloth.

60 And laid it in his own new tomb, which he had hewn out in the rock: and he rolled a great stone to the door of the sepulchre, and departed.

61 And there was Mā'r'y Māg-da-lē'nē, and the other Mā'r'y, sitting over against the sepulchre.

62 ¶ Now the next day, that followed the day of the preparation, the chief priests and Phā'r'i-see's came together unto Pī'late, 63 Saying, Sir, we remember that that deceiver said, while he was yet alive, After three days I will rise again.

64 Command therefore that the sepulchre be made sure until the third day, lest his disciples come by night, and steal him away, and say unto the people, He is risen from the dead: so the last error shall be worse than the first.

65 Pī'late said unto them, Ye have a watch: go your way, make it as sure as ye can.

66 So they went, and made the sepulchre sure, sealing the stone, and setting a watch.

## GLORIOUS RESULTS.

The Home Board and Foreign Board and the Sunday School Board will present the greatest reports in their history.

It is marvelous the work that has been accomplished by the missionaries and evangelists of our Board in Atlanta. They are truly a constructive force, and mean much in the great work of taking the Southland for the Baptists and for the truth.

The Foreign Board has had a greater fruitage of good than they were enabled to report a year ago. They sent to the front a strong force of worthy men and women, and from nearly every portion of our Foreign Mission fields come tidings of refreshing showers of divine grace and glorious ingatherings of souls.

The debt of \$70,000 is to be deplored, but it will only serve to stimulate our workers. Since God has so blessed our workers both at home and abroad, the call is loud and compelling for larger gifts. We have but to lift up our eyes and we behold the fields white unto harvest.

Our Sunday School Board will show the greatest year of achievements in their history. Drs. Gray, Willingham and Frost will thrill us with the reports they will make at Jacksonville.

Kentucky should send a large delegation, who will rejoice over the fruits of the year's labor and who will plan wisely for the support of the work during the year which we now enter.

The L. & N. train leaving Louisville on the evening of May 15th, will allow a stop-over in Atlanta of a half day Tuesday, to see the city, and reach Jacksonville early Wednesday morning. For sleeper reservation you can notify this office and it will be attended to.

## HOME MISSIONS.

M. E. Dodd, Kentucky Vice-President.

Two churches in Kentucky, Murray and First Paducah, went beyond the \$1,000 mark in contributions to Home Missions for the S. B. C. year, ending May 1st. The Murray church gave \$1,041.42. I have not the exact figures from Paducah but have been informed that they also exceeded the \$1,000. I wrote letters and communicated otherwise with other churches in the State with the hope that at least ten churches in the State would be found which would give \$1,000 or more to Home Missions. There are several churches in Kentucky that are stronger both numerically and financially than these two. They abound in other graces—why not in this grace also.

It was a matter of serious regret that Kentucky failed to raise her apportionment for Home Missions. But as Secretary Gray writes, forgetting the things that are behind let us press forward for the prize for the year 1911-12.

\$29,528 from 225,000 Kentucky Baptists for Home Missions, nearly 14 cents per capita. Why not 20 cents?

Every heart will be made glad at Jacksonville when the Home Board makes her report. Our Lord has gloriously blessed the work and workers.

Every church should arrange its apportionment of mission funds at least on the basis of what the S. B. C. plans to raise. This past year it was 4 to 6 for Home and Foreign respectively or two-fifths to Home and three-fifths to Foreign.

"Hurrah, for you and old Kentucky! Your work is just great."

A. C. DAVIDSON.

## SUNDAY SCHOOL DEPT.

### Covington.

We began this month with a Training School at Covington. Nine churches in the vicinity of Covington having organized their forces for the meeting.

The meetings were held in the First Baptist church in Covington. Dr. A. C. Davidson, pastor, and his faithful helper, Miss Forbes, have been planning some time for the meeting, and had every thing in readiness.

We regretted very much that Dr. Davidson was ill and was unable to attend the meeting for several days, but we enjoyed his presence for the last day or two, which was a benediction to all.

The institute began on Sunday evening at 3 o'clock with a great mass meeting. The auditorium was packed with people.

The speakers were each introduced and the opening service was merely some introductory remarks by each of the workers. Meetings began Monday morning in great shape when the Teacher Training Class, taught by Prof. Leavell and Mr. Flake began its work.

The speakers and the subjects at the evening sessions were Prof. Leavell laying special emphasis on teaching.

He presented scores of helpful charts and plans for teaching lessons for this year and opened up a great field of thought and study for the teachers present and in his clear and forceable manner gave us a feast of good things along the line of teaching in our Sunday School for the year 1911.

Mr. Leavell is certainly a marvel. He is both scholarly and eloquent as well as clear and concise in his statements.

He undoubtedly does his work with more ease and clearness than almost any speaker to which we ever listened.

Mr. Flake's work was that of Sunday School management. He discussed the subject of right kind of religious-census, thoroughly departmentizing the school and showed us as we have never seen it before that it takes thorough grading and organizing to do first-class Sunday School work and

besides makes the work easy for the teacher. Bro. Flake presented his work with such earnestness and enthusiasm and made it so clear and forceful until every superintendent and worker present, who did not have graded and organized schools, felt that they could hardly wait until Sunday to put theirs in shape.

The fact is that the writer had an engagement to go back to Covington and do some grading, but one pastor wrote us that we need not come, that he couldn't hold his superintendent down any longer, that he expected to grade his school Sunday. We feel perfectly safe in saying that there is not a more valuable man to the Sunday School work in our Southland than Arthur Flake.

Miss Williams talked on the elementary work and the people of Covington and vicinity were indeed charmed with her. We heard several who have heard workers from all over the United States, say that Miss Williams stands at the head of the list of elementary workers.

Dr. J. R. Sampey made the Old Testament over new for us. His addresses were the greatest Bible addresses to which the writer had ever listened.

Dr. Sampey's style on the platform is unique and while his work is all characterized by simplicity, yet he presents it with such an intense earnestness and enthusiasm that it goes home to the hearts of his hearers. The people were almost one in saying that they had never heard anything to surpass Dr. Sampey's work.

The pastors and Sunday School workers of Covington and vicinity are certainly wide awake, and there is no section of our State that is making any more progress in Sunday School work. They expect to plan a like meeting for 1912.

### Lawrenceburg.

We had one of the very best meetings we have conducted in the State. Meeting began Tuesday night, with an address by Dr. J. N. Prestridge, which quite a number of the most intelligent people of Lawrenceburg said was the best address to which they had ever listened.

We did not arrive until Wednesday and therefore missed the pleasure of listening to Dr. Prestridge, and by the way, we wish to say just here that our Sunday School work has no more enthusiastic supporter

than Dr. Prestridge and the Baptist World.

He is ever ready to co-operate with us, and do anything in his power to forward the Sunday School work in our State, and we count ourselves very fortunate indeed in having such friendship and such loyal support.

We canvassed the town of Lawrenceburg. Bro. S. M. McCarter, the pastor, and his workers did not stand back on rain and mud, but went out and did the work magnificently. The school was thoroughly graded and organized.

A teacher Training Class was organized and the school has already increased in interest as well as numbers. Bro. McCarter has a large place in the affections of his people, which he well deserves.

Prof. Bell, who has been principal of the public school for twenty years or more, is the superintendent of the Sunday School. and Mr. T. M. Bell, one of the most enthusiastic workers that we have met anywhere is his first associate.

With Pastor McCarter in the lead and these brethren, with a splendid chore of teachers and helpers, we expect to hear great things of Lawrenceburg.

Prof. J. T. Henderson, of the Laymen's Movement, made two fine addresses, which made us all form new resolutions and start out with a new determination to give not only more money, but to give ourselves more to the Lord's work.

#### Parkland Church, Louisville.

Here we had the delightful experience of talking three evenings to the workers of this church.

Col. Stephen S. Jones, the superintendent of the Sunday School at Parkland, and who has only been superintendent a short while, bids fair to become one of the best Sunday School men in the State, in fact he is already "there."

He is leading his workers nobly and with their new pastor, Rev. A. L. Crawley, we expect to hear even greater things from Parkland.

Bro. Jones says he has the best chore of teachers in the State. We feel sure there is no better.

This is the school in which our friend and fellow worker, Dr. J. W. Bruner, rendered such noble and valuable service.

Dr. W. D. Powell, Prof. McGlothlin and Pastor Crawley were other speakers on the program.

**HOME AND FOREIGN MISSIONS.**

The pastors in Kentucky with one accord labored faithfully during our strenuous campaign for Home and Foreign Missions.

We are grateful for the hearty and united co-operation there was in every part of the State. Kentucky made notable advances. Last year we were apportioned \$25,000 for Home Misions and with the W. C. Jones fund we raised \$30,000.

It was our conviction that \$30,000 should be the apportionment for the year just closed, but reluctantly we consented to make it \$32,000. The results show that we should have stood by our first proposition.

We raised \$29,528, a net increase of \$3,528. In behalf of Foreign Missions we undertook to raise \$44,000 and secured \$47,014. This was part due to the W. C. Jones fund, that reached us too late to be sent on the preceding year. Last year we gave a little over \$38,000, so that our growth in Foreign Missions is very healthy and shows that our people have at heart the matter of world-wide evangelization.

Our Baptist women have raised something like \$3,000 on a Jubilee Fund, and will raise \$2,000 more, at least, this summer.

In planning our work for another year, while we must manifest growing pains, we must be very modest in the advance we make over this year's apportionment.

It has long been a settled principal with us that it is far better to set a conservative goal and go beyond it, than it is to undertake to raise a much larger sum and fail.

We thank everybody who has so cheerfully co-operated in this great move.

Truly the Lord has given us a mighty victory.

**OUR FINANCIAL POLICY.**

It would seem that the harrowing experiences of the past eight weeks, the nerve racking vacillations between faith and doubt, the consuming solicitude and anxiety as to the final result would indicate that some plan must be devised by which funds will come more regular for the support of our great Home and Foreign Mission interests. Too many contingencies may occur in so short a period that would bring sure defeat.

We have several churches that send us month by month stated amounts for State, Home and Foreign Missions. Then at the close of the year they gather in a special offering and send it to us. This will always be necessary, since but few of us overstrain ourselves with giving, and many give nothing at all.

May the Lord guide us to evolve some practical means of eliciting and combining the co-operation of the brotherhood according to the New Testament plan.

**OUR FAITHFUL MISSIONARIES**

Have covered themselves with glory in the earnest way they have sought to gather in funds for our denominational work.

Many of them gave with a liberality which seemed to be beyond their ability.

They strive to develop their people in one of the greatest of all Christian graces.

**OUR SUNDAY SCHOOL BOARD.**

This Board is furnishing us splendid literature and deserves to be supported by the entire Baptist body in the South. During the year they have aided us with \$500 towards the salary of our worthy Sunday

School Secretary, and with a good supply of Bibles, Testaments and good books.

We heartily appreciate their co-operative aid.

Kentucky has sent to the Sunday School Board more than \$400 for the Bible fund.

#### OUR KENTUCKY MISSION MONTHLY.

It cheers our heart to note the cheerful enthusiasm shown by our friends in securing new subscribers to our Mission Monthly, which is so useful in imparting information regarding the destitution in our own State, and what is being done to minister to it.

We are always glad to send sample copies to those who will undertake to raise a club for us.

A single subscription is 25 cents, but where the three Journals are taken it is only 60 cents per year.

This furnishes a large quantity of valuable reading matter for a very small sum of money.

Will you please aid us?

#### STATE MISSIONS.

We are far behind in our contribution to State Missions and Church Building, and must ask our pastors and mission workers to come nobly to our aid during this present month.

We find it no difficult task to enlist Kentucky Baptists in the evangelization of our own State, and in strengthening those places where the cause has been weak. New workers are continually being placed in the field.

Of course, each one makes it necessary for us to have a larger amount on the first of each month to meet our obligations.

Missionaries and evangelists can render us valuable assistance by laying this work upon the hearts of the people and securing liberal gifts for our State work.

Kentuckians are patriotic and are always ready to extend a helping hand to the brother who is down and out.

Bro. A. F. Gordon begins a meeting at Caskey. They have not had a meeting of any kind since November. Bro. Gordon should have the hearty co-operation of brethren in the bounds of Bethel Association.

Berea has some 350 in Sunday School every Sunday. They will grant a number of diplomas next Sunday to those who have taken the Teacher Training course. Dr. J. M. Frost will be with them and deliver the diplomas. The editor will be there at a banquet on Tuesday night.

"Glad to know Kentucky did so well. Alabama gave Home Missions \$30,400 and Foreign Missions something over \$35,000."

Dr. W. D. Powell, Box 504, Louisville, Ky.:

My Beloved Brother—I am very grateful for the way that Kentucky has come out. You surely helped us nobly, and we will count on you for the work in the future.

I regret very much to say that after I sent the notice to the papers, our treasurer found out that he had overlooked a call loan. This runs the debt up to \$89,600. This is almost paralyzing, but we must trust in our God and press forward. The work is His and we are His.

I appreciate your kind letter.

Yours with love,

R. J. WILLINGHAM.

## LETTERS FROM OUR MISSIONARIES.

Dear Mission Monthly:

I will give the readers a little news of our work since January. I began the latter part of January with pastor Hoagland of Kosmosdale for a two-week's meeting. We closed with sixteen additions to the church, a lot secured for the building of a new church house, and they now have the foundation in and are rapidly working on their subscription of the new church building.

I next went to West Point. West Point had been without a pastor for more than six months, and so without preaching and pastoral work. I continued there ten days, closing with twenty-one additions to the church, the church greatly revived, a splendid collection for State Work and they have since called Brother G. W. Herbold as their pastor and have the full amount of his salary subscribed, and then some.

I next went to Augusta, in Bracken Co. and assisted pastor J. P. Shanks in a meeting of fifteen days. The congregations increased from the very beginning, and while there were not many additions to the church, the church was greatly revived. Three were added by baptism, and we had a splendid collection for State Work. Pastor Shanks has a firm hold on his people and is doing a splendid work in Augusta. The Augusta church has some of the salt of the earth as members and yet they have many that are not active, but a brighter day seems to have dawned for the church.

My next work was with pastor E. L. Averitt, at Oakdale church in this city. I continued with him for eighteen days and had a glorious meeting and the church was greatly revived, thirty-four were added and a splendid collection for State Work. Bro. Averitt and his wife are noble work-fellows and are doing a splendid work in this growing field and growing church in this growing part of our city.

My next and last work was with pastor James Clark, at Van Buren St., this city. We continued there eighteen days. This field has been one of the hard fields of our city, but the grace of God is working wonders here. The meetings grew in interest from the beginning to the close. In the very last service there was a woman eighty

years of age received for baptism. We closed this meeting with eighteen additions to the church.

The total additions to the churches where I held meetings and labored since the beginning of the year are ninety-five, a little, and yet we thank the Lord for so much. Pray for us in the future.

All the brethren and churches who desire my services during the year 1911 ought to write me as speedily as they can, when and where they want me, because my schedule will be made within the next two months.

Don't forget to pray and work and give for State Missions.

J. P. Jenkins.

Dear Mission Monthly:

Thought we would write you and let you know what we have been able to do through our Sunday School Convention, which has been organized for a little over two years. We call ourselves the Baptist Sunday School Union of Covington, Newport, Bellevue, Dayton, Latonia and Ludlow; we have nine schools in the union, besides three Mission Schools. We meet on the first Sunday in each month at 3:00 p. m.

The attendance in all these schools has been greatly increased and enthusiasm and interest is on a high plane. We have just closed an Institute that was made possible through our Union. Miss Williams, Dr. Sampey, L. P. Leavell, Arthur Flake and our own Entzminger were the instructors; and oh, what a week of instruction we had and how we learned to love these good folks.

There were 123 Lecture Course Certificates awarded; 102 diplomas for Normal Course; 3 Seals for Second Book; of course several Red Seals for completion of half the course, and one Blue Seal for completion of entire class.

We are also organizing classes in a number of the schools to study the Normal Course, and we feel, with trained workers that we now have, and those that we are going to have, that we will be doing things in Sunday School work in the near future, and also that we will be helping on toward the 1,000 trained teachers that Bro. Entzminger has set his heart on having by the

time of the General Association.

W. T. PERRY, Secy.

Dear Mission Monthly:

Our meeting at Denver, with Bro. L. F. Caudill and his noble people was a grand success, notwithstanding we had a down-pour of rain during the first ten days. The rain, mud and high waters greatly interfered with our services. The brethren had to replace the foot-log across the creek which runs close by the side of the meeting house before many could get to the services.

God gave us the victory—eighteen were happily converted to God and twelve joined the church by baptism. Liberty church is one of the largest churches in Enterprise Association. It is a sleeping giant. When they are trained to give as they should, they will call a pastor for all time and give largely to the support of our Boards of Missions. May this day speedily come.

**THE YEAR'S REPORT.**

Miss Lamb gives us her report for the objects which we report to the treasurer of the Woman's Missionary Union for the year from May, 1910, to April 30, 1911. This does not include our Sttae Mission offerings, nor much of what has been given to mountain schools, of which part goes to the Home Board:

Foreign Missions .....	\$12,239 45
Home Missions .....	5,624 54
Sunday School Board .....	82 99
Margaret Home .....	100 00
Training School—	
Current Expenses .....	386 93
Enlargement . . . . .	591 13
Endowment . . . . .	200 00
Scholarship . . . . .	275 00
	<hr/>
Total . . . . .	\$19,500 04
Last year .....	15,180 99
	<hr/>
Excess . . . . .	\$ 4,319 05

This is a gratifying report, and we are thankful to our Heavenly Father for a successful year's work and to all who have helped to make it so. For the Jubilee Offering has been paid in \$3,048; the Christmas Offering, \$1,790.08, and the Thank Offering for Home Missions, \$2,454.62, for the largest collection ever taken during the special meetings in March. Of the total amount the Y. W. A.'s gave \$2,135.84; Sunbeams, \$883.99 and R. A.'s, \$56.50. The Y. W. A.'s exceeded their opporportionment for both Boards.

Leaving out the jubilee offering, nearly a third of the whole year's contributions came in during the last quarter. Can we not remedy this state of things? The reason our Boards have to pay out so much for interest is that the churches and societies put off sending their money until late in the year. Let us cultivate the habit of paying our missionary money regularly all through the year, and especially let us

make a great effort to have the first quarter's report larger than it has ever been. Let us make that our first care, more important than summer dresses, holiday trips, or any expenditure for ourselves. We might even create a sentiment in our churches for prompt payment of missionary dues, and remind all whom we can influence of this paramount duty.

Eighty-eight new societies were organized last year, and some of them have done well. At Lawrenceburg a society has not yet been started, but our faithful friend, Mrs. S. M. McCarter wanted to get a contribution into this report, and collected \$60. If anyone would like to rival this feat no doubt you may write to Mrs. McCarter and learn how it was accomplished.

Monticello is one of the societies that has distinguished itself by generous giving, and in many places the societies have taken on new life.

For the Training School we lacked \$37 of meeting our apportionment, and we borrowed that much from the Expense Fund, which must, of course, be paid back. Societies that failed to send in anything will help greatly by a contribution right now for the current expenses of the Training School. In addition to what we reported the local Board sent \$400, for the enlargement, which does not count on our apportionment.

**FIELD WORK.**

This means sending around some one to start societies where there are none, either helping the Vice President of the Association or going into regions where there is no Vice President. Only two appointments have yet been made for Miss Dover, who is to do such work this summer. Mrs. Sarah Morgan promises to go around with her in Owen county, the latter part of June, offering her own conveyance for the journeys. This is worthy of a missionary's mother. July 3rd, Miss Dover will be in the Conference at Georgetown, and from there go to Richmond, where plans are being made by several ladies to go with her to neighboring churches. Mrs. D. C. Biggerstaff is Vice President of this Association, and she and Mrs. L. P. Evans, President of the So-

ciety in Richmond are among these ladies.

The time is ripe for such personal work, the worker is ready—what part of the field is ready for her?

---

#### DELEGATES TO W. M. U. AT JACKSONVILLE, FLA.

The following have been appointed to represent Kentucky, and other ladies who are going are urged to send in their names:

Miss Willie Lamb, Mrs. George B. Eager, Mrs. J. N. Prestridge, Mrs. M. R. McLure, Mrs. P. T. Hale, Mrs. Merrie Melloo, Miss Mary Louise Warren, Mrs. P. E. Gatlin. Twenty is the number allowed from each State.

---

#### OUR COLORED MISSIONARY.

Collections for this quarter were much better, \$56.55, but for the whole year we have received only \$80, instead of \$120. Mrs. Bettie Withers is our faithful missionary in Louisville. Mrs. Parrish writes that Mrs. Withers "is doing untold good in her house to house visits, and her work is telling in the number of children she has gathered into our Sunday Schools and Sunshine Bands, also the men and women she has gotten to attend church. Then the beauty is she does not make only one visit, but again and again to encourage them."

"In Owensboro Mrs. Locke has been on the field for five years with little financial help. Mrs. Belle Wallace, of Danville, found the mountainous country so neglected and in such great need of the light of his love, that she started out without scrib or purse, but relying on God for help. We have not been able as yet to give her any financial aid. The same holds true of Mrs. Mattie Wakefield, of Russellville. She went out to do what she could because her heart yearned to help."

Will not Kentucky Baptists send in enough money for us to aid all these women in their efforts to bring their race to Christ?  
E. S. B.

Pikeville has built a splendid house of worship and has called Rev. W. S. Shipp, of Adairville, and he has accepted. The church is to be congratulated on securing such a noble workman. He will make his influence felt for Godliness in all the Big Sandy Valley. This church has set a fine pace to the mountain churches in the matter of self-support. They pay their pastor seven hundred dollars.

Evangelist Gordon is trying to build a house of worship at Crofton. He has raised \$700 for this worthy object, and work begins at once. The State Board urgently needs large sums for church building.
